

SPAY/NEUTER CONTRACT

When purchasing a puppy from us, you agree to a spay/neuter Contract that must be obeyed within the first 12 months of the purchase. This agreement is legal and binding.

Our puppies are sold as **PETS** only, **without** breeding rights. This is to prevent unplanned and irresponsible breeding to help control our blood lines.

It is the responsibility of the PURCHASER to ensure that 4T Kennels has received verification that the surgery has been performed. This verification must be received within (14) days after the surgery. In the event that the dog's health does not allow this agreement to be honored, 4T Kennels must be provided with a statement from your veterinarian that this dog is not yet in physical or emotional condition for surgery. Based upon the veterinarian's evaluation of this dog, the PURCHASER will contact the veterinarian and establish the earliest date that the procedure can be performed. Failure to comply with this agreement by the date below is considered a breach of the Contract. Once the Contract has been breached, the PURCHASER will transport the dog back to 4T Kennels and is not entitled to a refund.

By signing this Contract, I agree to have my dog spay/neutered no later than 12 months after the time of purchase. I understand this agreement is to prevent further breeding, whether it is purposely or accidentally. I also agree that if I, the PURCHASER, do not comply with this agreement, I will return the dog with no refund.
